UNSUNG HEROES 2024!

Someone once claimed they *needed* a hero. Someone else said they *didn't* need another hero. Okay, maybe they were both singing different tunes... but when it comes to heroes, we love to sing their praises, too! And that's just what we're doing this month, "singing" the praises of Comics' *UNSUNG HEROES*! Sure, you've all heard of the Bat, the Spider, the Merc' With A Mouth, and that guy from a dying planet with the glasses... but you may not have heard about *these* heroes: great characters with cool stories, imaginative artwork, and more than enough room in their fan clubs to add YOU to their rosters! We've got a great selection of *UNSUNG HEROES* to share with you this month, be sure to collect them all!

THE LUCKY DEVILS #1

Image Comics

Good Omens meets *Curse Words* in this new series from Charles Soule and Ryan Brown, the team behind *Eight Billion Genies*! *The Lucky Devils* follows two rebellious demons who decide to start a revolution in Hell — and the two ordinary, 20-something humans they're going to manipulate to do it!

2024 WANES, 2025 WAITS IN THE WINGS...

Last year around this time, we were experiencing the same kind of unusually warm weather for the season... low-to-mid 70s and mild overnights. Well, here we are a year later, putting the finishing touches on 2024's November issue, and we're enjoying another round of nice, early autumn weather. Believe me, I'm not complaining!

This issue's theme is **UNSUNG HEROES**, focusing on heroes both super and other who you may not have heard of, but we think deserve some attention. We've got a great batch of new and backlist titles offered in this month's themed spread (on Pages 224-225), and we're sure you'll find a new hero or two to follow!

Speaking of Unsung Heroes, the second issue for my own creation **The GunHAND** is, yes, unfortunately *very* late. For that I can only say I'm sorry for the delay in getting our next issue out... it's been a trying process and most definitely my own damn fault. Artist Matt Plog is, as I write this, finishing up the artwork for the issue, producing beautifully colored pages that will soon be sent to our letterer extraordinaire, Mark L. Haynes. The wait is almost over my friends! I sincerely thank you for your patience and hope that you find the issue worth the wait.

Elsewhere in this issue of **PREVIEWS**, on the merchandise side, we celebrate the return of Japanese toymakers KAIYODO to the pages of our catalog! Creators of the Revoltech line of articulated action figures, Kaiyodo's brand of highly-articulated masterpieces have been absent from our pages for FAR too long. We're happy to have them back and look forward to many years of spreading their brand of sci-fi, fantasy, and comic book collectibles to an eager Western audience! It all starts on page M-36 on the Merchandise side of this issue!

Finally, I wanted to take this opportunity to thank each and every one of you for not only reading, using, and (hopefully!) enjoying our publication. For me, there's nothing like cracking open a fresh box from our printers and poring over the latest issue. There's something about holding this big book in your hands that can never be replaced by digital pages... its tactile, its olfactory, its visual. And you never will "own" those 0's and 1's in a digital copy. They just don't exist. Not like a physical copy.

I hope you all have a great Thanksgiving holiday, and don't forget the cranberry! (In a can, amiright?!)

Fantastic Four #1 CGC 9.6 Sells for \$2M at Heritage Auctions

Heritage hosted a four-day Comics & Comic Art Auction in September 2024, clearing an impressive \$19.6 million. *Fantastic Four* #1 CGC 9.6, the book that introduced Marvel's first family, sold for a new record price of \$2,040,000. It is one of only two copies at that high grade.

Original art took the auction's other top spots, led by John Buscema's *Wolverine* cover from his first solo comic series for \$600,000. Don Heck's *Tales of Suspense* #39 page 8 of Tony Stark in the original bulky Iron Man suit

hammered for \$504,000, Lee Elias' *Tomb of Terror* #15 exploding face cover cleared \$300,000, and Frank Miller's *Captain America* #241 cover of Cap and Punisher's first meeting went for \$228,000.

eMoviePoster Reports \$307K in Latest Auctions

eMoviePoster hosted three late summer auctions for a total of \$307,199. They sold thousands of US and international movie posters, lobby cards, stills, non-movie posters, and bulk lots containing similar items.

Top results included a *Becky Sharp* French one-panel for \$2,221, *Tiger Shark* lobby card for \$1,306, *Butch Cassidy & The Sundance Kid* set of 39 stills for \$788, *Casablanca* Japanese 1962 rerelease two-panel for \$731, a French National Railroads travel poster for \$691, and a *Wicker Man* Australian one-sheet for \$645.

Inside the Guide: Detective Comics #66

Two-Face is a Batman villain who constantly wrestles with the good and evil impulses within himself. When he was introduced in *Detective Comics* #66 (August 1942), it carried a cover price of 10¢. In 1970, when Robert M. Overstreet published *The Overstreet Comic Book Price Guide* #1, a Near Mint copy was priced at \$12. Ten years later in the *Guide* #10, it was up to \$84. After another decade in 1990's *Guide* #20, the first Two-Face had grown in value by 12 times, landing at \$1,000.

In the *Guide* #30, which was released in 2000, the book was priced at \$2,900. By 2010's the *Guide* #40 it was closing in on the \$10K mark at \$8,400. It took another big jump in the *Guide*'s milestone 50th edition, priced at \$28,000. In just four years, a Near Mint copy of Two-Face's debut in *Detective Comics* #66 was up to \$47,000 in 2024's the *Guide* #54.

EDGE ESSENTIALS

Pick up these books to learn more about Andrew's *Indie Edge* style!

- **Pinupocalypse #1** (STL350026)
- **Swinging Island GN** (via Patreon / ADULTS ONLY!)

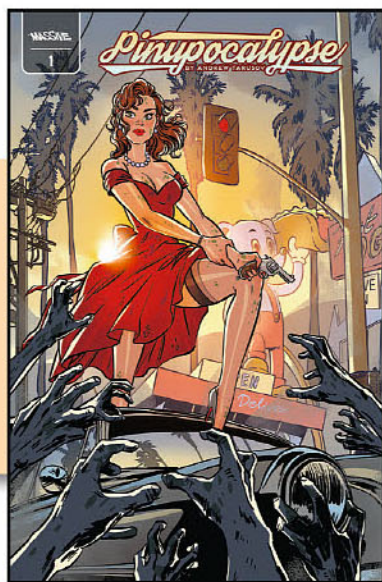

Please tell us a bit about yourself!

I'm Andrew Tarusov, a Russian-born artist and illustrator who has lived in Los Angeles for a long time, where I kickstarted my comic career, before moving to Berlin. I've had the pleasure of collaborating with renowned names like *Playboy*, Disney, 20th Century Fox, and *Penthouse*. My art is a vibrant fusion of pin-up aesthetics, vintage style, and pop culture. I strive to blend European and American comic styles in my projects, aiming to create something fresh and exciting. While I'm passionate about steamy art — which is why I also create erotic comics — I connect with diverse audiences through other comics by

drawing inspiration from various storytelling genres such as horror, action, and comedy. My background in filmmaking greatly influences my work, infusing it with cinematic flair.

What are your favorite projects you've contributed to over the past decade?

My two favorite projects are *Pinupocalypse* (See PAGE 182 in this issue!), which I have the privilege to publish with Massive Publishing this year, and my ongoing erotic story *Swinging Island*, which is published on my Patreon. I love creating new adventures for my characters and putting them in interesting situations. My followers enjoy these stories as well.

What are you currently working on?

Right now, I'm working on my new "Secret" project for a wider audience. It's heavily inspired not only by European and American comics but also by Japanese manga, and it's set in a small American town. I'm still in the preproduction stage, but I hope it will blow many people's minds!

What indie titles are you currently reading?

Unfortunately, not all American comics are easily obtainable in Berlin. However, I do really enjoy BOOM! Studios' *Something Is Killing the Children* (Vol. 1 / MAR201361)... really anything by James Tynion. I do my best to keep up with that, and anything featuring Mike Mignola's *Hellboy*!

Weekly Picks!

The much-celebrated return of Roman Dirge's unique, anarchic and cult classic character **LENORE: THE CUTE LITTLE DEAD GIRL** in her first new adventure in seven years.

Titan Comics editor David Leach chatted with creator **ROMAN DIRGE** about **Lenore: The Time War #1**

ROMAN DIRGE *LENORE*

DL: Roman, you're back! Do you realise it's been seven years since the last issue of *Lenore*, so my question to you is, what have you been doing?

RD: I had so many silly responses to this that I couldn't pick one. Truth be told, I did an extended stint as a designer in the animation industry. I've put that on hold to return to my roots.... Cold, calculated murder! Also, my comic books, I guess.

DL: I've been your editor since 2008, that's 14 years and in all that time we've managed to put out 13 individual comic books, six collections, one *Bloody Best of*, an artbook and three short story books. We've both survived one hit-and-run, three serious major leg injuries, several colonoscopies and two kidney stones. So, my question to you is, after all this time haven't I suffered enough?

RD: I'll be the judge of when you've suffered enough. No, but you've been amazing all these years and somehow still believe in me. Did they do some type of CT scan or perhaps an MRI after your hit and run? Cause....

DL: What makes *Lenore* *Lenore*?

RD: Me, b**--otch!

DL: *The Time War* is your most ambitious *Lenore* story to date and your first multiple issue saga, what made you want to do something so epic?

RD: My main obsession in life, other than video games, cats, and Mexican food, is sci-fi. My favorite sub genre of sci-fi is time travel so, I thought, "Hey, what if I combine *Lenore* with that thing I love?", leading to *The Time War* saga. Just be glad it wasn't a 4 issue series about *Lenore* eating Mexican food while petting cats that are somehow playing video games with their little paw paws. Although, now that I typed that out, I'll bet I could have made that work.

DL: What can we expect of *The Time War* Saga? Will this be the end of *Lenore* or just a new beginning?

RD: It's definitely the most cinematic set of *Lenore*'s I've ever done. That animation design stint upped my mad skills a bit. This was just a one off extended story, and her usual madness resumes shortly after. I believe the next issue will be about *Lenore* Vs. a bee babayaga....or a BeeBeeyaga. I'm sorry.

DL: Apart from *Lenore*, which of the other characters is your favourite? Mine is Pooty.

RD: Taxidermy. We get to see more of him as Taxen-Ra in his own element within *The Time War* story.

DL: When you're writing *Lenore*, what comes first?

RD: I never know the last line. It does usually start as a brain nugget of a funny idea. I let it percolate for a bit, then I write out an outline so I don't forget it, because I will. After that, I start to lay out the basics in my head. You know how Sherlock Holmes had his brain palace where he'd go in to his own mind and store things in like a file cabinet? I weirdly can kind of do that with *Lenore*. Once I complete the book, I forget most of it to make room for thinking about the next idea, and probably nachos.

DL: Who are your mentors?

RD: *Lenore* wouldn't exist if I hadn't loved the comic series *Groo The Wanderer*. That was the comic that sent me down my own dark path as a child.

DL: Finally, if you had to, would you rather fight a bear-sized duck or a 12 duck-sized bears?

RD: Are you getting enough sleep? ...Also, The 12 little bear ducks.

USER'S GUIDE

There's a lot of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and hundreds of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

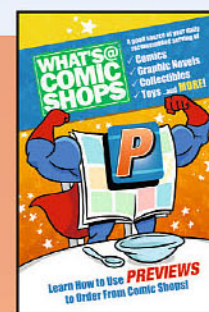

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

Father Barrera is a disgraced priest, haunted by his part in the tragic death of a child. As penance, he is exiled to the remote South American town of Puerto Cristina to apprentice under the enigmatic Father Stygian, controversial exorcist.

Exorcists are normally trained in the Vatican, but Stygian has his own way of handling demons... methods that predate even the Church. And unfortunately for Barrera, Stygian's last apprentice committed suicide not long ago.

As Barrera seeks to unlock the mysteries of Stygian's strange practices, he uncovers an island rife with evil and supernatural phenomena.

What do these possessions mean, and how are they connected to a mysterious hospital patient, one who's been in a coma for nearly half a century without aging a single day...

Rising star author **Gus Moreno**, whose debut novel *This Thing Between Us* was awarded a "Best Book of 2021" recognition by NPR, joins forces with visionary artist **Jakub Rebelka** (*Cyberpunk*) for a mesmerizing and thrilling descent into Hell itself.

In the nearby galaxy of Limbo, the deadly mob boss Mon*Star has escaped from his confinement on Penal Planet 10 — and he's looking to take revenge on everyone who put him there!

At the top of that list is Commander Stargazer, the grizzled space cop who personally took Mon*Star down the last time he went on a rampage. To recapture Mon*Star and his gang of super-criminal associates, Stargazer must put his retirement on hold and assemble a new team of his famed bionically enhanced law enforcers — the SilverHawks!

Recruited from every corner of known space by the Federal Interplanetary Force, the SilverHawks were engineered to be the first line of defense against Limbo's ruthless agents of chaos. But during Mon*Star's long incarceration, the program went dormant, and its state-of-the-art tech has drifted towards obsolescence. Now, as they take on the galaxy's deadliest lawbreakers, Stargazer's new team of untested cyborgs — including Quicksilver, Bluegrass, Hotwing, Steelwill, Steelheart, and The Copper Kidd — will face the ultimate trial by fire!

Superstar writer ED BRISSIN (*ThunderCats: Apex*, *The Uncanny X-Men*) and acclaimed artist GEORGE KAMBADAIS (*Gargoyles*, *Hercules*) open up an all-new entry in the FIF's legendary case files with *SilverHawks* #1 — featuring beautifully polished covers from LUCIO PARRILLO, JAE LEE & JUNE CHUNG, JAMES STOKOE, GERALDO BORGES, DECLAN SHALVEY, LESLEY "LEIRIX" LI, MANIX, and DAVID COUSENS!

WRITER ED BRISSON REFLECTS ON THE ACTION-FILLED FUTURE OF THE SILVERHAWKS!

Ed, you first dipped your toes into the world of the *ThunderCats* with the *Apex* special. Now, with the launch of *SilverHawks*, we're inviting fans to join us in a wider "ThunderVerse," as we're calling it. What has it been like to not only take on this franchise, but also to help align it so that it complements one of the biggest hits in comics?

It's been very exciting — I think this is the closest I've ever come to manifesting a book into existence. When Declan first started writing on *ThunderCats*, I was chatting with him and demanded that if Dynamite was going to expand the line to include *SilverHawks*, he needed to let me know. And when editor Nate Cosby contacted me to do *Apex*, one of my

first questions was, "When are you guys going to do *SilverHawks*?!" A few days later he called and offered me the book, and I couldn't have been happier.

I think that we've landed on a really unique approach to the title. We've found a way to honor the original series while bringing a grounded, character-driven focus to the story. It's not just about month-to-month adventures — we're really digging into who these characters are, what makes them tick, and building the team out in ways we haven't seen before. I think long-time fans will appreciate this new depth, while new readers will get to connect with these iconic characters in a whole new way. As for how it ties into *ThunderCats*, *SilverHawks* will stand on its own for a bit.

Declan Shalvey cover E

Lesley "Leirix" Li cover F

But trust me, we've got some very exciting things cooking behind the scenes — though I can't spoil too much just yet. Let's just say, fans are in for some surprises!

***SilverHawks* is a beloved show, but it may not be quite as well known as its sister series *ThunderCats*. How would you compare the two, and what makes *SilverHawks* shine?**

ThunderCats has always had one foot in both sci-fi and fantasy, but *SilverHawks* is this wild, fun blend of sci-fi and crime. Both shows have huge, larger-than-life rogues galleries, unforgettable core casts, and, of course, those banger theme songs. They each stand strong as their own entities, but you still get that sense they're part of a larger universe, connected by that same epic energy.

What really hooked me on *SilverHawks* as a kid was the sci-fi procedural vibe. The

SilverHawks are an elite squad, keeping the galaxy safe from Mon*Star — who's basically the ultimate interstellar mob boss. His criminal empire is packed with the wildest monsters, henchmen, and robo-criminals you can imagine, and it stretches across the galaxy, threatening everyone in Limbo. Under Commander Stargazer's leadership, the *SilverHawks* are tasked with taking him down. They're like this super-shiny, space-faring version of *The Untouchables*, but with even crazier tech and villains. That mix of futuristic action and crime-fighting is what really made it stand out for me.

The *SilverHawks* squad is composed of a handful of fun (and very shiny) characters. Commander Stargazer leads the way, alongside Bluegrass, Quicksilver, Steelwill, Steelheart, and The Copper Kidd as the usual core group. Hotwing was

Manix cover H

Battle Damage / David Cousens cover S | original incentive

SilverHawks Symbol Gold cover X | foil incentive

introduced later in the show, but we hear we'll be seeing him in the series, too. Who has been the most fun to write so far?

That's a tough one. We're still pretty early on in the process, and I've been spending a lot of time trying to find their voices. Gun to my head, I might say Stargazer at this point — he's the man behind the scenes, the one who put the squad together. He's your grizzled veteran cop with a deep and troubled past going back hundreds of years. He's experienced a world under Mon*Star's wrath, he's lost a lot of friends and colleagues in the war against it. He's already taken Mon*Star down once and refuses to retire until he takes him down one last time. There's a lot of anger and a heavy sense of loss with Stargazer, which is something that I've really been able to sink my teeth into.

The show made a big impact on everyone who tuned in during its run, but the SilverHawks ended up with about half as many episodes as their Thunder-siblings. As the writer taking them on now, do you feel this gives you even more opportunity to explore the characters and mythos?

The original *SilverHawks* series was very much an adventure-of-the-week format that hinted at a larger history, but never really dug into it. With this new series, we're filling in the blanks and expanding upon what we know from the show. We're going to explore the origins of the SilverHawks program in a way that fans haven't seen before. And — spoiler alert — the current team isn't the first of their kind!

We're diving deep into the backstories of each character, giving readers a real sense of who they are, what drives them, and how they ended up in this elite team. It's all about fleshing out the mythology and the characters so that they feel more layered and complex than ever before.

Greek maestro George Kambadais is joining you on this series, after his industry-shaking efforts on *Gargoyles* and *Hercules*. How do you think his gorgeous, unique style fits both this world and your approach to the series?

George is someone I've been wanting to work with for a long time — it was just a matter of finding the right project. His art has a certain dynamism and fluidity that fits perfectly with the high-flying, fast-paced action that defines *SilverHawks*. His linework has this sharp, kinetic, and vibrant quality that works perfectly for their sleek, futuristic world with its space battles, high-stakes chases, and plethora of strange and wild environments. He can nail the cast's unique designs while being able to dial into the emotional moments that are the cornerstone of the story we're telling.

We've had a lot of discussions about how to approach this universe, and George just gets it. His attention to detail, his use of color, and his ability to blend old-school nostalgia with a modern twist make him perfect for *SilverHawks*.

Can you give us a brief elevator pitch on where we kick things off in the first issue, and how you'll be unfurling your narrative along the way?

On the eve of Stargazer's retirement, Mon*Star busts out of Penal Planet 10 and unleashes chaos across the galaxy — which is essentially how the original series began. The current system is unprepared for the level of devastation Mon*Star brings, so Stargazer postpones his retirement to launch a new, upgraded SilverHawks program. Throughout the first arc, we'll meet all the SilverHawks we know and love, each of them personally impacted by Mon*Star's reign of terror before being recruited into this new team. It's a way to reintroduce these characters, but with more depth and context, while honoring the original series that fans hold dear.

It's another beautiful day in the bustling city of Zootopia, where every animal is free to strive to realize their full potential — and one of the most successful of those strivers is Tripp Zebrando, owner of the PB&J cell phone company.

PB&J's high-tech devices are *the* must-have accessories for every species in town, and Tripp is about to launch their latest model with a huge publicity event timed for the arrival of the first shipment of phones at the airport.

Unfortunately, somebody has it in for PB&J, or Tripp (or both), and the resulting sabotage threatens to bring the house down — right on top of the unsuspecting crowd!

Luckily, ZPD's finest — in the form of Officers Judy Hopps and Nick Wilde — are on the scene, ready to keep the peace (or at least contain the chaos). But what they're about to discover in the aftermath of this seemingly isolated incident will lead them into a much larger and more complicated case!

Acclaimed author JEFF PARKER (*Negaduck*, *Batman '66*) partners up with renowned artist ALESSANDRO RANALDI (*Disney Villains: Hades*) to bring the captivating world of Disney's *Zootopia* to comic-book life with this all-new mystery adventure — featuring courtroom-quality covers from RANALDI, TRISH FORSTNER, CRAIG ROUSSEAU, and more!

RETURN TO ZOOTOPIA WITH WRITER JEFF PARKER!

Jeff, do you have any fond or notable recollections of seeing the film *Zootopia* for the first time?

I didn't get to see it in the theater, which I regret. I was on a trip to North Carolina and my son went to see it with artist Sandy Jarrell's son and came out raving about it, and he was always a good gauge of movies even as a kid. When we got back home we rented it first thing, and I was so impressed. I think we then bought it and it was often on in the house. I'd try to walk through the living room and usually ended up hanging out and watching to the end most times. I then pushed it on every comics person I knew.

The movie has had such a massive impact, both in its initial release and in the years since. Every Disney classic has staying power, but what do you think is unique about this one in particular?

I never hear it phrased this way, but from the first time I saw it, it struck me that they really dived into answering something that had long been a favorite joke in satire: What if Disney animals met real animals? It's got an edge to it that most American animation doesn't, as well as a lot of heart like you'd expect. It's just so cleverly thought out on many levels, I never get tired of it. It also fleshes out a world with so much

potential for stories. They never go for the easy joke or dumb anything down, and they assume the viewers are also smart. I think everyone appreciates that.

In this new series, the main characters of Nick Wilde and Judy Hopps are now both in the ZPD, which seems like a great narrative setup for a periodical medium like comics books. How are you laying out this story across issues?

We're approaching it like the daily patrols and assignments of Judy and Nick as officers and partners. But there is a larger story underneath that's building as we go, and Judy's instincts to dig up a case are the engine of the story.

The anthropomorphic Disney magic of the movie resulted in so many colorful and fun characters, both as main players and in the background. Can fans expect any interesting new characters in the series? And as someone with a background in art as well as writing, how conscious or intentional are you about showing that visual contrast across the world of *Zootopia*?

The book does explore places in Zootopia that you haven't seen yet. I think readers will enjoy our criminals, too — but I'm not going to spoil any of that; I want it to unfold the way the movie did. I'm being pretty conscious of

following the idea that particular animal traits can give characters an edge or a weak point, and it's probably extra fun if you're the kind of reader who also watches lots of nature specials.

On that note, you're working with artist Alessandro Ranaldi on the series. His work on *Disney Villains: Hades* was absolutely bursting with energy and comedic elements (and fans can pick up the collected edition of that series now!); what is he bringing to the table that fits *Zootopia* so well?

You're not kidding — Alessandro is a multi-talented force. He always comes up with really interesting ways to show how a scene plays out, and he never misses a chance to convey the physical and facial acting. It really makes for a convincing return of the cast — I think I wrote more of Clawhauser into the story because I loved how Alessandro draws him so much — and that's no small achievement. Drawing a comic book like this, you're essentially inviting readers to experience more chapters of a world that it took a massive studio of talented animators and actors to realize. It's a lot of weight on

Alessandro's shoulders, but he makes it look easy. (It is not!)

Has the process of crafting the title been affected at all by the upcoming *Zootopia 2* movie, which is also scheduled for release in 2025?

We don't know what they have planned for the sequel, so I didn't think about it really. You should never try to second-guess things with a book, just tell your own story with everything you can bring to it. Leave it all on the field, as they say. I know there's a big fanbase for *Zootopia* and that they've waited a long time for more adventures, and I'm happy to be a part of making that happen. I am pretty excited to see *Zootopia 2*, though. This time I'll be at a theater right away!

For as long as Scrooge McDuck has been a successful tycoon, he's had to deal with swindlers, burglars, and every other kind of chiseler who wants to get their hands on his hard-earned fortune. And leading the pack of scheming miscreants that hound his every step are the infamous Beagle Boys — most of whom are now cooling their heels in Duckburg's jail.

As he leads his nephews Huey, Dewey, and Louie into the city, Uncle Scrooge tells them about an early encounter he had with the Boys' criminal matriarch, Ma Beagle — and how that has lead directly to their new mission: infiltrating the prison that the gang now calls home!

The convicted creative team of writer BRANDON MONTCLARE and artist TOMMASO RONDA set the scene for a new Great Escape with *DuckTales* #3 — complete with file-filled cakes baked by cover artists RONDA, IVAN BIGARELLA, FRANCESCO TOMASELLI, CARLO LAURO, and ALAN QUAH!

Foes of evil! Enemies of injustice! To the mighty heroes of the JUSTICE DUCKS, all bad guys are a total bummer and must be taken down — even if said bad-o's are from outer space!

When flying saucers descend from the skies to (maybe) wreak (possible) havoc upon the (mostly) innocent citizens of St. Canard, all that's stopping these aggressive alien agitators are STEGMUTT, GIZMODUCK, NEPTUNIA, MORGANA, and, most important (in his opinion), DARKWING DUCK!

Written by the Eisner and Harvey Award-winning ROGER LANGRIDGE and illustrated by celebrated *Darkwing Duck* artist CARLO LAURO, this latest chapter in the ongoing saga of St. Canard's web-footed wonders collects *Justice Ducks* #1-5 (along with a complete cover gallery), and is surely destined for greatness — just like DD himself!

Welcome to Altered States — Dynamite Entertainment's parallel reality in the vein of DC's *Elseworlds* and Marvel's *What If?*!

In the summer of 1976, Tori Sachs and her friends went to an innocent beach party to celebrate the end of high school... and wandered into a scene of satanic carnage that would shock the world!

Now, decades later, the truth can at last be told, and the burning questions answered: Why were the teens targeted for slaughter that night? And what unholy creature did they fall victim to?

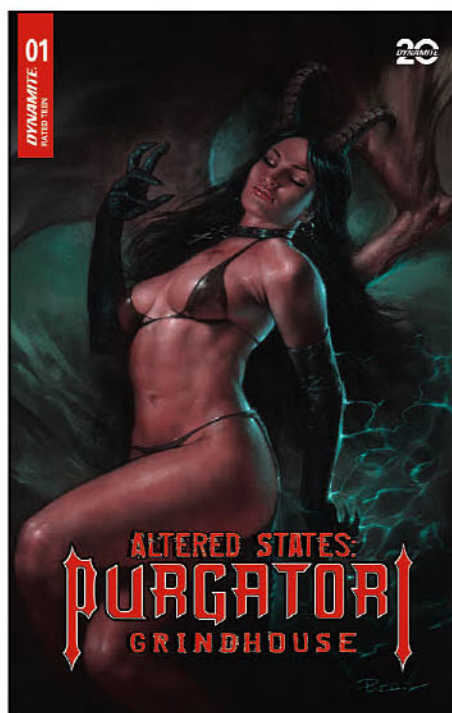

Written by master of the macabre RAY FAWKES (*Constantine*, *Justice League Dark*) and illustrated by veteran Purgatori whisperer FEDERICO SORRESSA, *Altered States: Purgatori Grindhouse* returns readers to the golden age of slasher entertainment — complete with sinfully era-appropriate covers from JOSEPH MICHAEL LINSNER, LUCIO PARRILLO, MIKE ROTH, and cosplay by RACHEL HOLLON!

The year is 1917, and the world been consumed by war for three years. For the crew of the Imperial German submarine U-184, however, the real battle is just beginning!

Shipwrecked on a savage, uncharted island, the U-Boat's crew face terrors beyond imagining from the moment their boots touch the sand. The sailors are attacked from all sides by monsters from the dawn of creation and horrors never before seen on Earth. As they fight their way toward the island's foreboding high ground in a desperate bid for survival, blood-stained death strikes indiscriminately from above and below. And pursuing them relentlessly is a gargantuan force of nature that knows no master — and no mercy!

Kong: The Great War collects all six issues of the spellbinding series from acclaimed author ALEX COX and international art sensation TOMMASO BIANCHI, bringing to graphic life a hellish vision of endurance in a land forgotten by time — where the only rule is fear, and the only law is given by Kong!

The year is 1986, and the Cold War is at its height. Across the globe, American and Soviet submarines play a deadly game of cat and mouse, hidden deep beneath the surface of the world's oceans. Armed with enough firepower to destroy a continent, these vessels are among the remote and secure locations on the planet.

They're also one of the most tempting targets imaginable for an enemy who can see the future — particularly one that wants more than anything to set off a nuclear holocaust!

The unstoppable comics machine that is DECLAN SHALVEY and DAVID O'SULLIVAN open a deadly new front in the war against the machines with *The Terminator #4* — securely enveloped in sonar-absorbing covers by SHALVEY, EDWIN GALMON, CAT STAGGS, and DAVID COUSENS!

When Calica stole the Eye of Thundera from the Sword of Omens and fled into the wilderness of Third Earth, she seems to have betrayed everyone she had come to know during her stay in the Cat's Lair. But why would she throw away such hard-won trust? What did she have to gain? And most important: Where has she been, and what has she done with the Eye?

Now, Calica will face all of these hard questions and more when she unexpectedly returns to the scene of the crime — but her answers may not be what Lion-O or any of his comrades want to hear!

Talented co-conspirators DECLAN SHALVEY and DREW MOSS deepen the mystery with *ThunderCats* #12 — aided by appropriately atmospheric covers from MOSS, SHALVEY, LUCIO PARRILLO, JAE LEE & JUNE CHUNG, IVAN TAO, and MANIX!

WE LIVE VOLUME 2: AGE OF THE PALLADIONS TP

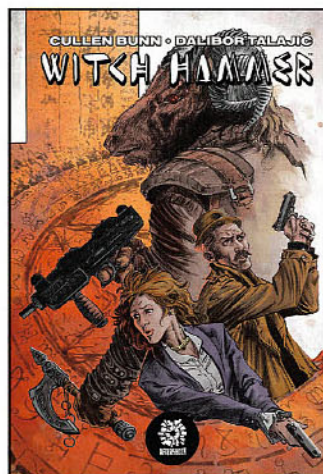

(W) Roy & Ianki Miranda
(A) Inaki Miranda

Six years have passed since Salvation Day, when Palladions emerged as the protectors of humanity, saving the five remaining Megalopolis. But nothing stays and the horizon always brings a new storm. These are dark times. The shield around Megalopolis 9 has lost thirty percent of its reach. The New Nature has learned to create cuts in the energy channels that power the Beacon and the Palladions. A never-ending horde of beasts siege the remains of the city. Tala and Hototo, along with friends new and old, must brave the wastes of this world to save the shield, and in doing so will face new clever and horrible Beasts, visions of a ruined future and even humans who have

lowered themselves to the depths of depravity. Will they be successful? Or is humanity's brief reprieve from the apocalypse all but over? Collects Issue #1 Black, Issue #1 White and issues #2-#3. (JUL221081)

JORDI TARRAGONA (A) JORGE CORTES (C)

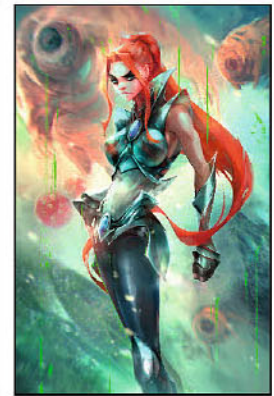

Sometimes the largest of tales begin from the tiniest of places, and Skye Mathers, Guardian of the Nexus, always seems to find herself in the middle of it all. When mysterious magical incidents begin occurring on the West Coast of the United States, Skye is tasked with getting to the bottom of these events. But what she finds is anything but a small problem, and will be forced to learn, that if she's not careful, and with a certain perspective, it's actually not too difficult to make a mountain out of a molehill. Don't miss the introduction of the smallest corner of the Grimm Universe—Guest Starring Thumbelina!

Dinosaurs! The Tooth Fairy! Mutant Fairies! Other kinds of weird fairies... deviant gnomes, zombies, dorks, Christmas, artificial intelligence and robots—this book has it all! And whether you love her, or hate her, or like, really love to hate her—Cinderella "Cindy" Monroe is out to steal your heart, or at least a few quarts of your blood. Collected for the first time ever (and finally!), in this chaos-and-insanity-drenched volume of wacky logic, borderline-deliriously-sweet animal friendships, and hacks and slashes to all forms of life and un-life alike, Cindy knows what your darkest fantasies are (no, not those!) and she brings them to death right before your eyes in the largest book we could bind!

CREATOR FEATURE: AMANDA DEIBERT & BRENT SCHOONOVER

AD: I am SO excited to have written my very first story for Archie Comics! Archie and Betty & Veronica Digests were the very first comics I ever read and the reason that I fell in love with comics in the first place. So it is beyond thrilling to me to be a part of this incredible story!

CREATOR BIO

AMANDA DEIBERT is a best-selling comic book writer, screenwriter and author. Her comic book writing includes *Archie is Mr. Justice* #2 for Archie comics, *Rocket and Groot: The Hunt for Star-Lord* and *Rocket and Groot: Tales of Terror* for Marvel and Scholastic books, *Star Wars Hyperspace Stories* for Dark Horse, *Teen Titans Go! On TV*, *DC Super Hero Girls*, *Batman and Scooby-Doo*, *Harley Quinn Romances*, DC's *the Doomed and the Damned*, *Teen Titans Go!*, *Batman And Harley Quinn*, *Wonder Woman Agent of Peace*, *Wonderful Women of the World*, *Wonder Woman '77*, and work in *Love is Love* (NY Times #1 bestseller) for DC Comics, *Darkwing Duck* and *Red Sonja Black, White and Red* for Dynamite, *Work for a Million* for Penguin Random House's McClelland & Stewart and John Carpenter's *Tales for a Halloween Night* volumes 2-8 and *Death Mask* for Storm King comics. She also has a guided journal, *You Already Have the Answers* from Chronicle Books. Amanda's television writing includes animated series *Hot Wheels: Let's Race*, *He-Man and The Masters of the Universe*, various variety shows for CBS, Syfy, and Hulu, and four years as the writer for former Vice President Al Gore's annual climate broadcast, *24 Hours of Reality*. She lives in Los Angeles with her wife and daughter.

BS: Working on the great legacy characters of Archie Comics has been a bucket list project for me. Devouring Archie Digests books in the back of my parent's car as a kid was a core memory that got me addicted to reading and making comic books. Getting the chance to add a fun superhero spin onto them is just a cherry on top of a Pop's milkshake.

CREATOR BIO

BRENT SCHOONOVER is a Minneapolis based illustrator whose comic book works include *Adventures of Superman*, *Suicide Squad* and *Batman '66* for DC Comics. For Marvel he has worked on titles like *Captain Marvel*, *Ant-Man*, *Black Widow* and most recently the OGN *Captain America: The Ghost Army*. He has also worked on comics based on classic licensed properties like *Back to the Future*, *The Phantom*, *Army of Darkness*, *Doc Savage*, *Gargoyles* and *Dick Tracy*.

ENDEAVOUR #1

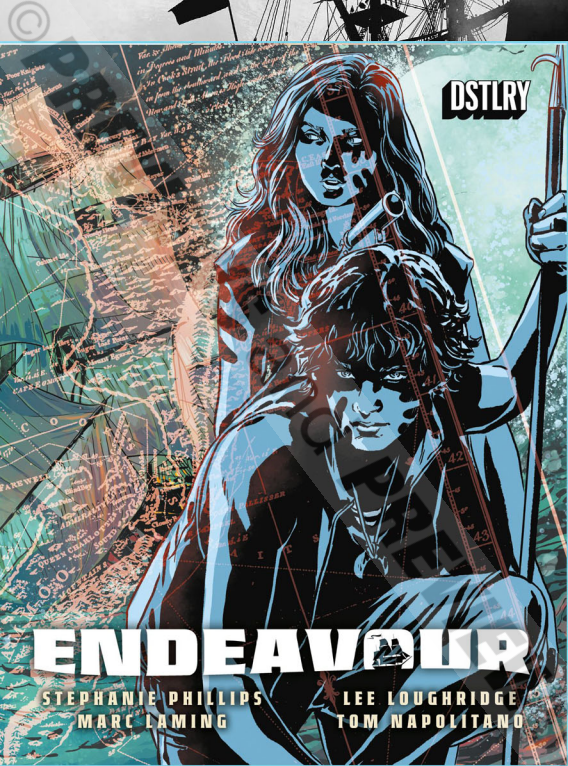

BY STEPHANIE PHILLIPS, MARC LAMING
& LEE LOUGHRIDGE

NEW DSTLRY SERIES DEBUT from Stephanie Phillips, the acclaimed writer of *LIFE*, *Harley Quinn*, and *Grim*, and Marc Laming, the amazing artist of *Star Wars*, *Red Sonja*, and more!

From 1768 to 1771, the *HMS Endeavour*, commanded by the famous Lieutenant James Cook, sailed on a voyage of discovery around Tahiti, New Zealand, and Australia. It didn't end well.

Now, a modern-day tourism company is offering a "luxury" trip aboard a near-accurate recreation of the ship, *Endeavour*. For a hefty fee, elite passengers can experience history with all the modern comforts. The vacation of a lifetime...until the unthinkable happens, and seven children are stuck aboard the ship, alone and adrift at sea. Rough seas and rations are the least of their worries as they quickly realize the real enemy is each other.

For fans of *Lord of the Flies* and *Yellowjackets*, *ENDEAVOUR* is a modern-day survival story from Stephanie Phillips (*Harley Quinn*, *LIFE*) and Marc Laming (*Star Wars*, *Planet Hulk*).

WARM FUSION #2

BY SCOTT HOFFMAN & ALBERTO PONTICELLI

Writer Scott Hoffman (Nostalgia. Wag) of Scissor Sisters fame teams up with artist Alberto Ponticelli (Frankenstein: Agent of S.H.A.D.E., Goodnight Paradise, Orc Island) for a sci-fi/horror mystery that pushes the limits of the grotesque.

WARM FUSION returns us to a rainy, rotting future New York City where Detective Hannover runs out of leads just as Nicholas and Mr. Barnaby accelerate their deluded, experimental plans.

The investors arrive, sending Prophetiq into an urgency verging on panic. And an attempt to get Hannover out of the picture leaves Vin to fend for herself—and eventually make her way into the depths of the unknown to confront the true evil set to be unleashed!

WARM FUSION is a dark, sci-fi thriller, mixing the body horror of David Cronenberg with the bleak urban future of Blade Runner.

For fans of VIDEODROME, THE THING, and ROBOCOP.

WEDNESDAY

AURA,
TRANSCRIBE.

TRANSCRIBING.

Victim discovered by a sanitation technician who responded to a distress signal from a damaged trashbot.

Signal came in around 2 am according to the technician who came out to the scene just after 9.

Possible signs of blunt trauma.
Weapon undetermined.

Remaining body parts are bloated, possibly waterlogged. Rain could be a problem for prints or additional bioevidence.

No signs of trauma or scarring around hip sockets.

Forensics to confirm, but I'm guessing this due to a hydrothyraxine defect — limbs missing from birth.

That would make her around twenty-three. Hell of an age to go.

You need something a little tougher to keep that comic safe, and Ironguard Supplies has just the thing. In addition to a full range of bags and boards in all sizes, Ironguard now offers comic toploaders, rigid sleeves that will keep your comic protected from even the most unforgiving longbox. Good mourning, beasties. My page has been feeling a bit dour recently, so I'd like to switch it up a bit and praise one of Monster High's brightest ghouls. Ghoulia Yelps is simply a cut above the rest. All the whole brain bread she eats must go straight to her head because she's the only ghoul who can ace even Mr. Rotter's hardest tests. And while she's slowly lumbering through the hallways long after everyone else has made it to class, Ghoulia sees things that the rest of us are too busy to notice. Like Cleo de Nile crying in a bathroom stall, and Clawdeen jumping anytime a ghoul mentions Toralei's name. Maybe she knows what has happened to all the missing students? ARE YOU AFRAID OF DARK? VOLUME 2: THE SINISTER SISTER GN

(W) Roseanne A. Brown

(A) Shazleen Khan & Various

This graphic novel features three chilling stories based on Ghanaian urban legends and folktales. Izzy's sister has been acting strange. Izzy knows that something is going on with her twin, Grace; hurrying off to hang with other kids, avoiding her at school, and going to bed earlier than usual. When Izzy learns that her twin sister has been sneaking off at night to hang out with the mysterious Midnight Society, she surprises them at their night of storytelling and threatens to tell their parents about Grace's new hobby. But in order to prevent Izzy from telling on her, the Midnight Society proposes a scare-off! If Izzy wins, Grace is booted from the Midnight Society. If Grace wins, Izzy won't tell anyone about the Midnight Society. What follows are three terrifying tales that may determine the fate of not only the Midnight Society, but also the twins' relationship. (STL346653) (C: 0-1-0)

BIG IDEAS THAT CHANGED WORLD: IT'S ABOUT TIME! GN

(W/A) Don Brown

In *It's About Time!*, narrator Albert Einstein takes kids through time—literally. Measuring time is explored, from the stone circles and giant pyramids of ancient cultures to hourglasses and sundials to early time pieces and watches to atomic clocks. The book explains why there are 12 months a year, 24 hours in a day, 60 minutes in an hour, and 60 seconds in a minute. And seven days in the week. From Stonehenge to Greenwich Mean Time to James Hutton's Deep Time, the book helps kids understand the passage of time, and why sometimes it seems so slow and other times way, way too fast. DRIVE GN

(W/A) Cynthia Copeland
In 1964, Janet Guthrie is on her way to becoming one of the most successful female race car drivers in history—the first ever to qualify for and race in the Indianapolis 500. But the road ahead of her will not be easy. She'll have to drive with broken bones and in rickety cars, while constantly proving to the press and the racing world that she's every bit as good as the men on the track. In 2019, twelve-year-old Alex finds a vintage Jaguar her grandfather never finished restoring. It's a dream come true for a "car girl," and she dives into teaching herself how to repair and restore it—with the help of her favorite mechanic's videos. Alex's father thinks she's wasting her time, and the local car community isn't eager to welcome a girl. But there's a car show coming up, and Alex is determined to prove her skills. No matter what gets in their way, Janet and Alex are passionate trailblazers who know that the only way forward is to keep your foot on the gas. Told in alternating timelines, highlighted by two different color palettes (Janet's story is in a limited palette, while Alex's is in full color), *Drive* is an immersive story of how far we've come and how far we have yet to go. AFRO UNICORN VOLUME 2: AFRONIA ACADEMY GN

(W) Terrance Crawford, April Showers
(A) Ronaldo Barata, Anthony Conley
Divine and Unique are attending a new magical school called Afronia Academy. It's a very hard school to get into, and Superior Magical reminds them that they were chosen to attend because they are kind, fair, smart, and believe in themselves. There, the Afro Unicorns meet a student named Dreama. Dreama seems like she's always distracted, but why? Unique and Divine have got to find out! This full-color graphic novel is great for young readers beginning their graphic novel journey and graphic novel enthusiasts alike. It also features a Dyslexia-friendly font. Dreama uses a few words in Spanish, with pronunciation guides to help kids navigate new text. Dreama is bilingual, and readers will enjoy learning phrases with her. (STL332416) (C: 0-1-0)

MACK MOON AND THE P.E.T.S. VOLUME 1 GN

(W) Dan Jolley (A) Russ Cox
Mack Moon dreams of being the first kid in space. So imagine his surprise when he discovers that his three regular pets—a goofy Labrador named Pickles, a tough gray cat called Lady, and a goldfish dubbed The Fish—are actually undercover agents. They belong to a secret agency called the Planetary, Enforcement, Tactics, and Stealth, AKA the P.E.T.S. When the True Form of Evil, aka a ferret named Barbara (and yes, she gave herself that nickname), crash lands into Mack's hometown, the P.E.T.S. must spring, jump, and swish into action to stop her. Add in a battalion of poop-slinging space monkeys, a TV news station that's gone to the dogs, and an epic pillow fight—and you're holding in your hands the perfect recipe for an action-packed and hilarious graphic novel that's perhaps even more delicious than Mack's dad's super-awesome ravioli. (Just kidding! Nothing is that delicious.) (STL346567) (C: 0-1-0)

OPERATION: COVER-UP GN

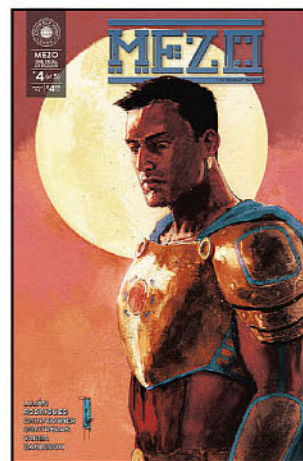

(W/A) Tate Godwin
Nick's a straight-A student. Sy's a class clown. But when they start at a new school, misunderstandings cause everyone to think Nick's the class clown and Sy's the brainiac. Eager to fit in, they make a pact: Nick will teach Sy how to be a convincing brainiac, and Sy will help Nick pose as a jokester. But the two soon learn it's not easy to fake your way through fifth grade, and the longer their charade goes on, the harder it is to come clean. When the two impostors meet a girl with a secret of her own, the three form an unlikely friendship that challenges everything they thought they knew about what it means to "be yourself." AMERICAN TERRORIST GN

(W) Tyler Chin-Tanner, Wendy Chin-Tanner
(A) Andy MacDonald & Various (CA) Andy MacDonald

Investigative journalist Owen Graham, his best friend and civil rights lawyer Michael Clark, public school teacher Hannah Bloom, and environmental researcher Shannon Lim are fighting to make positive contribution to the world when they are labeled as terrorists by the government. While our four protagonists go on the run across the country, they experiment with radical solutions to our biggest national injustices — healthcare, the environment, civil rights violations, refugees, education, the economy — inspiring a movement through social media that the media vilifies. *American Terrorist* asks how ordinary citizens can battle for a democracy that feels further and further out of reach. In searching for a purpose, a reason to live, he discovers Isabelle, whose father died in the plague, and who has recently been thrown out to live in the streets by her uncle. When the two meet, a spark is lit between them. LAND OF MIRRORS GN

(W/A/CA) Maria Medem

Antonia is the sole inhabitant of a deserted town, with only a roaming pack of dogs and her own worn out memories to keep her company. Nothing is new in this world, the ponds are so still they are dead, and her recollections feel more vivid than her surroundings. At times, the isolation is unbearable. Until she meets her flower. Her flower gives her purpose: a reason to get up each morning, to ring the bells of the town, to wake up the fields, and to feel alive. And yet a relentless thought eats away at her—what will happen once her flower dies? Her quest to save the flower begins alongside a charming traveler from the land of mirrors. The pair embark on a journey filled with music, swimming holes, and folk tales whispered late into the starry night. They march through the fields to the beat of turtledove calls, occasionally stopping to get drunk off the fruits of the strawberry tree. Slowly Antonia opens up to the world beyond her town, to the people who inhabit it—and to the endless possibilities of community and friendship. MILK WHITE STEED GN

(W/A/CA) Michael D. Kennedy

"Have I settled down yet?" The question rings eternal across all ten stories in this highly anticipated debut collection of comics fiction by New Yorker and New York Times contributor Michael D. Kennedy. A series of individuals leave the West Indies and attempt to find their footing in the damp dinge of England's counties. A child on his daily trike ride is stalked by a sinister, shape-shifting ligahoo. A blues singer's wife hallucinates untoward revelations in the grips of high yellow fever when she inhales spores from psychedelic mushrooms growing unchecked in their apartment. A man dwells on his absent father, paints the man into a duppy myth, and bears the consequences

of this fantastical undertaking. Inspired by the folk tales and oral traditions of his Caribbean roots, *Milk White Steed* is a dreamlike venture into the messy truths of everyday West Indian lives. (STL348034) (C: 0-1-2) MATURE THEMES

O/A PROCESSING: 100 COMICS THAT GOT ME THROUGH IT GN

(W/A/CA) Tara Booth

Known for her buzzing colors, delightful patterns, sharp humor, and unflinching vulnerability, Tara Booth does not miss any mark in this exquisitely woven collection of pure and nasty magic. Part advice column and exhibit, exploration of psychic pollution and tranquility, *Processing* is—quite simply—intrepid: in its honesty; its unapologetic grossness; its unrivaled and frank portrayal of life with a body that bleeds. In the grand tradition of underground women cartoonists like Julie Doucet and Aline Kominsky-Crumb, Booth draws a horned up woman laying rose petals on the bed, to distract from the bedbugs before her hookup arrives. She bears witness to the reality of wearing a t-shirt with no bra—when you stretch, your boobs, sometimes, pop right out. This is all just life but we don't often see it on the page. Undaunted, Booth draws it. With color that vibrates and fluids that impose, *Processing* lays Booth bare—literally and figuratively. (STL325574) MATURE THEMES

(W/A/CA) Jillian Tamaki

Jillian Tamaki is best known for co-creating the award-winning young adult graphic novels *Skim* and *This One Summer*, moody and atmospheric bestsellers. *SuperMutant Magic Academy*, which Jillian has been serializing online for the past four years, deftly plays superhero and high school Hollywood tropes against what adolescence is really like: the SuperMutant Magic Academy is a prep-school for mutants and witches but their paranormal abilities take a back seat to ev-

eryday teen concerns. (STK668388)

Teen outcast Andy is an orphaned nobody with only one friend, the obnoxious-but loyal-Louie. They roam school halls and city streets, invisible to everyone but bullies and tormentors, until the glorious day when Andy takes his first puff on a cigarette. *The Death-Ray* employs the staples of the superhero genre—origin, costume, ray gun, sidekick, fight scene—and reconfigures them in a story that is anything but morally simplistic. WAR ON GAZA

By Joe Sacco

\$7.99 / Comic / 32 pgs / BW / 8.25" x 11.25"

Joe Sacco is well known as a chronicler of Palestinian pain (*Palestine*, 1993; *Footnotes on Gaza*, 2010). He continues this self-created tradition in *War on Gaza*, a series of graphic commentaries on Israeli's genocidal war on Gaza that has been going on non-stop for the last year. Originally published in twice-weekly installments on *The Comics Journal's* website, *War on Gaza* is a series of comics continuities and single panels as morally devastating as the war itself. Employing his trademark combination of earnestness, compassion, satire, and dark humor, Sacco's *War on Gaza* is a relentless critique of Israeli's warmongering and President Joe Biden's complicity.

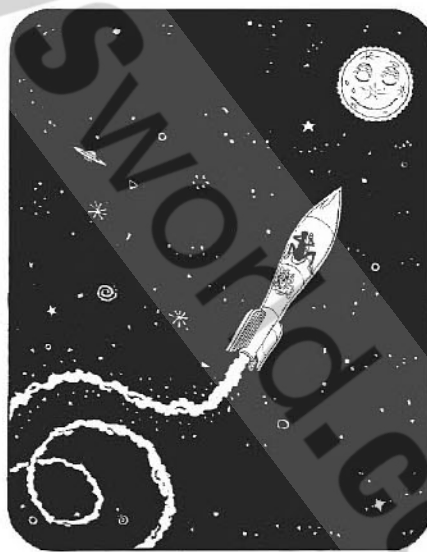

DAISY GOES TO THE MOON

By Rick Geary and Mathew Klickstein

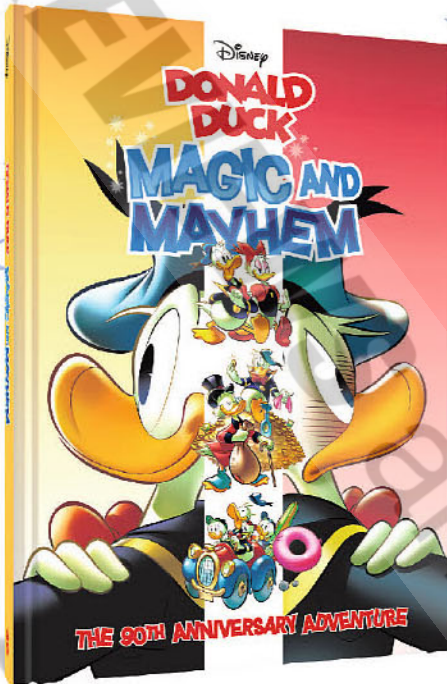

\$19.99 / HC / 96 pgs / BW / 8" x 10"

In 1919, Victorian author Daisy Ashford published a book she wrote at 9 years old to great success. Now, writer Mathew Klickstein and cartoonist Rick Geary have created a delightful graphic novel adaptation, in which Daisy goes to outer space, visits the cosmic automat, watches TV with a time traveler, and more! There's rollicking verbal and physical comedy as characters (sometimes literally) bounce off each other. Showcasing elements of Philip K. Dick, Douglas Adams, and Antoine de Saint-Exupéry, the book will delight readers as they discover Daisy's playful, madcap space adventures.

WALT DISNEY'S DONALD DUCK: MAGIC AND MAYHEM

By Alberto Savini, Vitale Mangiatordi, et al.

\$19.99 / HC / 116 pgs / FC / 6.625" x 9"

It's Donald Duck's 90th anniversary, and a corps of European Disney comics masters are bringing his magic makeover to life in an all-new feature-length graphic novel! Donald doesn't want much in life: just a great plate of pancakes — and to be a better treasure hunter than Uncle Scrooge! And for everyone to follow his perfect example, and for his whole family to be superheroes! And the mystical E-Genie, an all-powerful being housed in a smartphone, is here to grant Donald's wackiest wishes before you can say "App-acadabra"! Can Scrooge McDuck, Daisy, Huey, Dewey and Louie, and Cousin Fethry save Duckburg from Donald... and our birthday boy from himself?

THE GEORGE HERRIMAN LIBRARY KRAZY & IGNATZ 1928-1930

By George Herriman

\$49.99 / HC / 200 pgs / BW / 11.3" x 13.8"

In this volume: What insights can Krazy glean from an art exhibit of the old masters? What happens when Krazy applies for a job as a debt collector? What's with all the balloons? And volcanos? Why is a giraffe wandering lost in the desert? These are just some of the questions in this collection of the surreal adventures of Krazy Kat, Ignatz, and Offisa Pup. With incisive essays by Herriman scholars and reproductions of rare Herriman ephemera, the newest volume in our ongoing series makes it plain why *Krazy Kat* is considered to be the greatest comic strip of the 20th Century.

**SONG OF A BLACKBIRD GN**

(W/A) Maria Van Lieshout

Fictionalized but based on actual events, *Song of a Blackbird* is a graphic novel with two intertwined timelines: one is a modern-day family drama, the other a courageous tale of art and resistance under Nazi occupation. In 1943 Amsterdam, Emma Bergsma's world changes when she witnesses Jewish families being forcibly deported to concentration camps. In that moment, she decides to join the Dutch Resistance. In 2011 Amsterdam, Annick's world has changed as well. A search for a bone marrow donor for her beloved oma leads to a shocking revelation: her grandmother was secretly adopted as a child. The only clues to finding their lost family are a series of art prints hanging on the wall—each signed by a mysterious "Emma B." These two intertwining timelines reveal how art, in the face of nearly insurmountable adversity, can become our greatest lifeline. (STL346786) (C: 0-1-0)

A Creator You Should Know: PAUL GULACY

In the mid-1970s, after the exodus of Jim Steranko, Neal Adams, and others, there was a veritable creative void in mainstream comics. Bursting upon the scene to fill that gap was Paul Gulacy and his work on *Shang-Chi: Master of Kung Fu*. Gulacy broke Marvel's "House Style" mold. Influenced by Steranko, Gulacy's art was slick, detailed, and eye-catching. But it was his magnificent storytelling ability that left its indelible mark. Heavily impacted by movies, editor Archie Goodwin described Gulacy's work as "film on paper." Movie director Quentin Tarantino said, "My favorite comic when it came out was *Master of Kung Fu*."

After *Master of Kung Fu*, Gulacy teamed with writer Don McGregor to produce the graphic novel, *Sabre*. He would go on to work on such pop culture icons as James Bond, Batman, Terminator, Star Wars, G.I. Joe, along with a host of independent titles. He has always found ways to push the medium's creative limits.

GREETINGS FROM THE MAGLEV CHAPTER 1 (NEW PRINTING)

(W) Mark Espinosa (A) Adam Cahoon
Gasoline is a thing of the past. Once it was revealed that the government had been withholding how desperately depleted our resources were, society seemed to dismantle overnight. In an effort to keep our country moving forward, our nation's corporations united and created "The Maglev." Using revolutionary technology, The Maglev is a massive super highway that utilizes magnetic roadways and is fueled by solar power. Unfortunately, the only ones capable of using it are those who can afford to and those who hi-jack their way in. The rich and the wild. But, who cares about all of that? This is a story about good old fashioned revenge! (STL348190) (C: 0-1-2)

FOR SOME PEOPLE, IT'S ALWAYS MIDNIGHT.

From the mind of literary icon Barry Gifford—internationally renowned author of *Wild at Heart* and co-writer of the neo-noir masterpiece *Lost Highway*—*Night People* is a pulsating roadmap of the American subconscious, where neon-lit Southern nights give to lipstick, sweat, and blood, and the odd, innocent, and evil are all fellow travelers down an interstate of dark, elusive dreams.

Adapted from Gifford's acclaimed novel by breakout writer Chris Condon (*That Texas Blood*) and a rotating cast of artistic talents—including Brian Level (*Poison Ivy*), Alexandre Tefenkgi (*The Good Asian*), Artyom Topilin (*I Hate This Place*), and Marco Finnegan (*Calavera, P.I.*)—follow an uneasy cast of wanted men, cartel killers, and lost souls through four interlocking tales as they travel a path of intoxication, lust, and spontaneous violence from New Orleans to Egypt City, Florida, and back again.

ARTIST/COVER TESS STONE

Webster's first day of high school goes off the rails when he ends up at a back-alley rumble . . . **FOR UNDERGROUND SPELLING! (What??)**

He's dubbed the Golden Kid, and from that moment on he's drawn into the world of underground spelling bees, where letters fly like shurikens and defeat is never an option. His talent is recognized by the mysterious and dashing Outlaw King, Khan, and the suave and plucky Black Queen, Bonnie, and they introduce to him the new challenge of no-holds-barred competitive spelling.

First released in 2013 by writer Ananth Hirsh (*Lucky Penny*) and artist Tess Stone (*Not Drunk Enough*), this new color edition comes with new cover art, freshly colored interiors (new colors by Fen Garza), and bonus material from the creators. Read and reread the frenetic tale of spelling bee battles, friendship, and the discovery of self-worth! As the Outlaw King says, "Word is bond."

GOLDEN AGE CLASSICS: FIGHT COMICS FEATURING TIGER GIRL VOLUME 2 HC

(A) Robert Webb & Various

The Tiger Girl, created by Robert Webb, was also known as Princess Vishnu. She was brought from India to Africa by her father Rajah Vishnu, after the death of her Irish mother. She was an excellent leader and pretty good in a fight, especially when she used her whip and her tiger ring, which gave her added strength when she looked at it and was accompanied by her companions: Benzali, a tiger, and Abdola, an Indian man. She protected her lost civilization from outsiders and others who meant harm. She became one of Fiction House's longest-lived characters; her stories continued to be published for over a decade until the company ceased operations in 1954. (W) Harry Harrison & Various (A) Sol Brodsky & Various (CA) Jeff Jones
For the first time ever, PS Artbooks presents *Science Fiction Odyssey* #1 from Skywald. Skywald's famous, never actually printed, magazine would have been the first adult SF comic since EC's *Incredible Science Fiction*, but the publishers, Sol Brodsky ("Sky") and Israel Waldman ("Wald") belief that SF just didn't sell and budgetary constraints, alas meant the magazine was withdrawn, although only after film had been made and just before delivery to the printers! The editor Al Hewetson managed to re-use all of the first issue's stories in the company's range of horror magazines, which is how we managed to piece

together our original *Science Fiction Odyssey*. We've made some alterations and assumptions, but hopefully we've got the finished result fairly close to how it would have appeared over fifty years ago! (STL346856) (C: 0-1-2)

(A) Fred Kida & Various

It was January 1947 that the first real, indisputable horror comic came along—*Eerie Comics* #1, published by Avon. Whet your appetite for these horrors inside including "The Eyes of the Tiger," by Bob Fujitani, featuring a pet tiger who gets his first taste for blood; no surprises there then? "Dead Man's Tale," by Jon Small gives us the story of a bottle that gave Myron Morgan wealth and how he died when it was destroyed. "The Man-Eating Lizards," Joe Kubert—when a plane goes down in the ocean, the surviving crew members find themselves on an island of giant, man-eating lizards. Luna and a Special Night is a celebration of art and imagination exploring how the love of art can be passed from generation to generation. The story follows Luna during three different phases of her life: as a child, a young woman, and then a grandmother. As a young woman, Luna and her older sister Jeanne are vacationing in Nice in the 1930s. They hear beautiful violin music, which inspires them to go to the beach and paint together. Luna doesn't realize that the musician is an artist she met as a child. Flashing back about 20 years, the sisters are together at a museum. While her sister takes part in a fine arts lesson, the five-year-old Luna sits next to an

artist, Stéphane, who is drawing a picture of the "Night." He hands her another notebook so that she can also draw the beautiful statue. Luna and Stéphane have a vision of her drawing magically coming to life. This forever changes the trajectory of the artist's career. (STL297233) (C: 0-1-0)

COMICS: 1964-2024 HC

(W) Emmanuele Payen, Paul Gravett (A) Various
Starting in the mid-1960s, comics rapidly evolved into a highly creative art form for a sophisticated readership: in France, the magazine *Hara-Kiri* provided new terrains for graphical humor, while the adventures of Jean-Claude Forest's *Barbarella* were published in albums by Éric Losfeld; the launch in Japan of *Garo* in 1964, an avant-garde monthly, introduced the concept of auteur comics; and the release of Robert Crumb's *Zap Comix* in 1968 established his reputation as the leader of the underground comics movement in the United States. This major historical survey of the so-called "ninth art" establishes a dialogue between the three leading regions of comic book culture—Europe, Asia, and America—and offers an immersive odyssey through the medium's development over six decades. AN ARTIST'S GUIDE TO TAROT HC

(A) Nuria Tamarit, Faith Schaffer
Modern tarot enthusiasts come from a variety of backgrounds and cultures around the world, and artists in particular have become fascinated by the mythical imagery of the cards. Tarot, originally a popular card game in fifteenth-century Italy, came to be used for bringing the subconscious to the conscious; a way of espying the holder's deepest thoughts and desires. Each item in tarot art has a specific meaning, and this book's artists showcase their own unique interpretations while guiding the reader through their ideation techniques and design choices.

The book features an insightful introduction from bestselling author Sasha Graham, the world-renowned tarot expert behind the acclaimed Dark Wood Tarot deck. The result is a special, keepsake art book that combines an intriguing glimpse of the history of tarot with inspiring, artist-led design processes and a stunning selection of never-before-seen tarot art. (W) Various (A) Various

Rising from the depths of history comes an all-new examination of the 20th Century's best horror comics, written by Peter Normanton (editor of *From The Tomb*, the UK's preeminent magazine on the genre). From the pulps and seminal horror comics of the 1940s, through ones they tried to ban in the 1950s, this tome explores how the genre survived the introduction of the Comics Code, before making its terrifying return during the 1960s and 1970s. Come face-to-face with the early days of ACG's alarming line, every horror comic from June 1953, hypodermic horrors, DC's Gothic romance comics, Marvel's Giant-Size terrors, Skywald and Warren's chillers, and Atlas Seaboard's shocking magazines. The full-color opus exhumes Bernie Wrightson's darkest constructs, plus artwork by Frank Frazetta, Neal Adams, Mike Kaluta, Steve Ditko, Matt Fox, Warren Kremer, Lee Elias, Bill Everett, Russ Heath, The Gurch, and many more! MAC RABOY: MASTER OF THE COMICS HC

(W) Roger Hill (A) Mac Raboy
Beginning with his WPA etchings during the 1930s, Mac Raboy struggled to survive the Great Depression and eventually found his way into the comic book sweatshops of America. In that world of four-color panels, he perfected his art style on such creations as Dr. Voodoo, Zoro, The Mystery Man, Bulletman, Spy Smasher, Green Lama and his crowning achievement, Captain Marvel Jr. Through extensive research and interviews with son David Raboy, and assistants who worked with the artist during the Golden Age of Comics, author Roger Hill brings Mac Raboy, the man and the artist, into focus for

historians to savor and enjoy. (STL116406)

London, 1888. In the heart of the fog a terrible murder is committed, the word '**RACHE**' scrawled in blood on the wall over the body. Suzume helps Souta close the door on the mythical worm, which is revealed to be the cause of massive earthquakes, never knowing that her involvement would soon leave Souta trapped in the three-legged wooden chair Suzume's late mother crafted for her and send them both on a cross-country race to seal all the worms away and save Japan from devastation. Just because you're cursed doesn't mean you're not special. Gwendolyn, the youngest of the king's three daughters, is living proof that princesses don't always have it all. She isn't like the other princesses in the Pastel Kingdom. In spite of her big heart and love of baking, Gwendolyn isn't particularly attractive. Unlike her sisters who have woodland creatures do their hair and makeup, or have flowers blossom wherever they sleep, Gwendolyn is a bit... different. Gwen plans a dinner party with Frederick's help; Frederick spends an afternoon with the Cursed Princesses (without realizing it); and we learn about Prince Whitney, all the while Nell's premonition hangs over their heads. The question remains... if Nell really is clairvoyant, then who will end up dead? Collects episodes 78-93. (STL348486) Scheduled to ship in January 2025.

REVOLTECH AMAZING YAMAGUCHI: ATTACK ON TITAN—EREN YEAGER (TITAN) FIGURE

From Kaiyodo. From the hit anime *Attack on Titan*, the protagonist Eren Yeager has transformed into a titan and is now available! The unique muscular depiction has been recreated in the figure, and while it is a simple humanoid figure, the character's standing style is faithful to the image in the anime. The power of the densely toned body is further enhanced by careful shadow painting. The shoulder blades can be moved back and forth along with the left and right sides of the divided chest, allowing the arms to open wide and across. The torso can be flexibly divided while allowing for natural arching and bending. The hip joints combine ball joints and Yamaguchi-style diagonal axes. And the shins can be moved to express the flexibility of the character by adding joints that are not found in the human body. In addition to the normal gripping hand, the wrist comes with three interchangeable parts: an open hand grabbing powerfully, a half-open hand with natural relaxation, and a hardened fist. Replacement bangs

parts with hair fluttering to match the action are also included. (STL344038) Scheduled to ship in April 2025. (4673/NR057) (C: 1-1-2)

REVOLTECH AMAZING YAMAGUCHI: NINJA GAIDEN—RYU HAYABUSA FIGURE

From Kaiyodo. Ryu Hayabusa, a modern ninja of the dragon clan from *Ninja Gaiden*, is brought to life in an *Amazing Yamaguchi*! His sharp gaze and weapons that cut through evil are all expressed with movable eyes! Since his first appearance in 1988 in the 2D action game, he has also appeared in popular titles such as *Dead or Alive* and the *Warriors Orochi* series. His muscular proportions and details inspired by high-tech materials are sculpted with the same precision as in the game. He comes with a variety of weapons used in the game, including the demon-repelling sword Ryuken, which can be pulled out from the sheath on his back, as well as the Kusarigama, Shuriken, and Hard-Shell Raptor Claws. Katsuhisa Yamaguchi has put a lot of effort into the movement, such as dividing the side of the chest to allow the shoulders to move forward and backward, and adding joints to the shins to increase flexibility. In addition, the wrist parts, such as handles for each weapon and hand gestures for making mudras, are selected in a ninja-like style, allowing you to recreate ninja poses using a variety of weapons! REVOLTECH AMAZING YAMAGUCHI: STREET FIGHTER—CHUN-LI FIGURE

From Kaiyodo. Chun-Li, who shows off her skillful and beautiful fighting style in the latest series *Street Fighter 6*, has been sculpted in 3D by Katsuhisa Yamaguchi. Chun-Li's fighting style is based on several Chinese martial arts, with kicking being her signature move. Her muscular thighs can be dynamically moved thanks to her hip joints, which combine ball joints and a unique axis movement angle called the Yamaguchi method. From kicks with her legs raised high, to the "Spinning Bird Kick" with a 180-degree leg spread, to the cross-legged sitting pose shown in the special stance "Gyokuunryusui" that can be derived into a variety of techniques,

the action in the game can be reproduced without compromising her supple body lines. Replacement parts for the hem of her costume with the cloth hanging down in the front and back are also included. In addition to expanding the range of movement of her legs, the sculpting is conscious of the flow of action that makes the pose even more beautiful. In addition, the after images created by the blinding succession of kicks in her special move "Hundred Crack Kick" are expressed as effect parts! (STL344035) Scheduled to ship in June 2025. There are treasures to be won deep underneath, and you shall have them. Return to the glory days of fantasy with the *Dungeon Crawl Classics Role-Playing Game*.
